BUILDING PERMIT AUTHORIZING Variance (detached residential accessory structure)

at 1714 Pine Ridge Drive, NE 17TH/51
Street Address Quadrant District & Land Lot

to be used for residential purposes
The property is zoned R-3 District

2. The Building Permit Was Denied For The Following Reasons:

Applicant seeks a variance from zoning regulations to 1) reduce the required west side yard setback from 10ft to 7ft and 2) reduce the required rear yard setback from 20ft to 5ft to allow for a detached residential accessory structure. Applicant seeks no further variances at this time.

Submittal for Variance Request/Justification

Address: 1714 Pine Ridge Dr Atlanta GA 30324

Variance Request: Reduce rear yard setback from ²⁰15 ft. to 5 ft.

REDUCE SIDE YARD SETBACK FROM 10 FT TO 7 FT V-11-018

Proposed Building: 22x22 Detached Garage

Variance Justification: I would like to place a new detached garage approximately where one was previously located. Due to the (1)location of the driveway, (2)area where the previous garage was located (3)location w/ reference to accessing the house and (4) topography and shape of property, there is not adequate room elsewhere in the rear yard for an accessory structure. Allowing this garage will provide for the security of my vehicle, yard equipment and recreational equipment and have use of my property consistent with the neighborhood. This placement would not impose on any adjoining properties. As per drawings, the garage will be architecturally consistent with the house which will promote stability in the neighborhood and sustain desirable living conditions.
