_____ covered square feet / _____ total lot square feet = _____ % proposed lot coverage
_____ % maximum allowed lot coverage No change to lot coverage

Variance Procedures

Variance applications are heard and decided at a regularly-scheduled public hearing by the five-member City of Atlanta Board of Zoning Adjustment ("BZA"). The Office of Planning serves as staff to the BZA. Approximately one week after each closing date, a planner is assigned to review your application. All inquiries regarding your application should be directed to this office at (404) 330-6145. The rules of the BZA prevent BZA members from discussing the merits of any case except during the public hearing for that case.

Schedule. There are two closing dates and two public hearings per month. The schedule allows time for neighborhood and NPU meetings to occur throughout the City prior to each public hearing. The schedule of closing and public hearing dates is attached (Page 9).

Neighborhood and NPU Recommendations. The City is divided into 24 Neighborhood Planning Units (NPU's), each of which has a volunteer citizen advisory committee that makes a recommendation to the BZA on variances. When you file your application, you will be notified of the NPU contact person and that you must schedule a meeting with that NPU in order to explain what you wish to do. You may be requested to attend additional neighborhood meetings; inquire about the time and place of those meetings. The applicant is expected to contact the NPU as soon as possible after the application is filed. The Office of Planning will send a copy of your application to the appropriate NPU during the week after the closing date for your application.

Public Notice. When you file your application, it will be scheduled for a public hearing. The Office of Planning will initiate posting of public notice ("an advertisement", "a legal ad") for this public hearing so that the public is informed at least 15 days before the date of the public hearing:

- by sending written notice of your application to all property owners whose property is within 300 feet of the subject property, and
- by causing public notice to be placed in the newspaper.

You are responsible for obtaining a public notice sign when you file your application with the Office of Planning, and for posting it in a visible location on your property, at least 15 days prior to your public hearing. Failure to properly post the sign will make it necessary for the BZA to defer your case to another public hearing. The BZA may defer the case to a hearing that has been scheduled 30 or more days after the original hearing.

Refunds on Withdrawn Cases. Requests for withdrawal received 18 days prior to the public hearing will enable a refund of the application fee.

Staff Recommendation. Office of Planning staff reviews and makes written recommendations to the BZA on each variance application. You may contact your assigned planner at (404) 330-6145 on the day of the public hearing if you wish to know staff's recommendation.

Justification for 5 foot Fence (Privacy Fence)

825 Virginia Circle NE

Atlanta, GA 30306

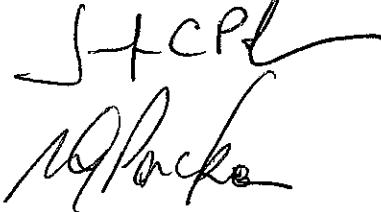

We are seeking approval to erect a 5 foot, dog-ear wooden fence that will replace an old, rusted chain link fence. We believe this will only enhance the appearance of our neighborhood as the existing fence is very old and aesthetically unappealing. We believe the fence will provide not only needed privacy but also additional security. For some months now, the neighborhood has seen an increase in the number of home invasions during the night while home owners are in their homes. We hope the fence will act as an additional level of security for our home. In addition, we have 2 young boys whom we hope will enjoy many years of play time in our back yard. This fence will be safer and will provide some security for them as they play in the back yard.

As we observed other corner-lot homes in our immediately proximity, we noted that most houses have at least a 6 foot solid privacy fence. Additionally, our neighbors to the rear have a 7 foot privacy fence. We do not believe that our request for a 5 foot fence is unreasonable.

We respectfully request your review and approval of this request.

Kind Regards,

Nigel and Jennifer Packer
